

## Electronic Land Registration Coming Soon to Oxford County

Effective January 9, 2006, electronic land registration is being introduced on an optional basis in Oxford County.

**Clients of the Oxford Land Registry Office are encouraged to contact Teranet Inc. to acquire Teraview® software and security authorizations. Teranet staff will be pleased to assist in addressing your software, installation and training needs.**

### Information session:

An information session on electronic land registration will be held at the Oxford land registry office on:

**Thursday January 5th, 2006**

**5:15 p.m.**

Representatives from Teranet Inc. and the Ministry of Government Services will be available to answer questions.

### Information Package:

The Oxford legal community will receive additional information by mail reminding them of the January 9, 2006 date and providing other helpful information.

Thank you for your continued support of Teraview software.
