

## Electronic Land Registration Soon to Replace Paper in Prescott

Effective **Monday April 19, 2010** it will be required that the majority of land registrations in the Prescott Land Registry Office be submitted electronically.

The Prescott legal community initially gained access to the electronic land registration system on June 19, 2006, when electronic land registration became available on an optional basis.

An information session on the new electronic registration service will be held in this office on:
