

Electronic Land Registration Soon to Replace Paper in Lennox

Effective **Monday March 10, 2008**, it will be required that the majority of land registrations in the Lennox Land Registry Office be submitted electronically.

The Lennox legal community initially gained access to the electronic land registration system on May 29, 2006, when electronic land registration became available on an optional basis.

Information Session:

An information session on electronic land registration and the Teraview software will be held at the Lennox Land Registry Office on:

Wednesday March 5, 2008 at 5:15 p.m.

7 Snow Road, Unit #2
Napane, ON K7R 0A2

Representatives from Service Ontario and Teranet will be available to answer questions.

Information Package:

The Lennox legal community will receive additional information by mail reminding them of the March 10, 2008 date and providing other helpful information.

Thank you for your continued support of Teraview software.
