

Electronic Land Registration Soon to Replace Paper in Haldimand

Effective **Thursday March 20, 2008**, it will be required that the majority of land registrations in the Haldimand Land Registry Office be submitted electronically.

The Haldimand legal community initially gained access to the electronic land registration system on July 24, 2006, when electronic land registration became available on an optional basis.

Information Session:

An information session on electronic land registration and the Teraview software will be held at the Haldimand Land Registry Office on:

Wednesday March 19, 2008 at 5:15 p.m.

10 Echo Street
Cayuga, ON N0A 1E0

Representatives from Service Ontario and Teranet will be available to answer questions.

Information Package:

The Haldimand legal community will receive additional information by mail reminding them of the March 20, 2008 date and providing other helpful information.

Thank you for your continued support of Teraview software.
