

## Electronic Land Registration Soon to Replace Paper in Lambton

Effective **Monday September 10, 2007**, it will be required that the majority of land registrations for the Lambton Land Registry Office be submitted electronically.

The Lambton legal community initially gained access to the electronic land registration system on July 10, 2006, when electronic land registration became available on an optional basis.

### **Information Session:**

An information session on electronic land registration and the Teraview software will be held at the Lambton Land Registry Office on:

**Thursday, September 6, 2007 at 2:30 p.m.**

Court House #102  
700 North Christina St.  
Sarnia, ON N7V 3C2

Representatives from Service Ontario and Teranet will be available to answer questions.

### **Information Package:**

The Lambton legal community will receive additional information by mail reminding them of the September 10, 2007 date and providing other helpful information.

Thank you for your continued support of Teraview software.
