

Electronic Land Registration Soon to Replace Paper in Elgin

Effective **Tuesday May 22, 2007**, it will be required that the majority of land registrations for the Elgin Land Registry Office be submitted electronically.

The Elgin legal community initially gained access to the electronic land registration system on April 10, 2006, when electronic land registration became available on an optional basis.

Information Session:

An information session on electronic land registration and the Teraview software will be held at the Elgin Land Registry Office on:

Thursday, May 17, 2007 at 5:15 p.m.

Court House Block
4 Wellington Street
St. Thomas, Ontario

Representatives from Service Ontario and Teranet will be available to answer questions.

Information Package:

The Elgin legal community will receive additional information by mail reminding them of the May 22, 2007 date and providing other helpful information.

Thank you for your continued support of Teraview software.
