

Electronic Land Registration Coming Soon to the Lambton Land Registry Office

Effective Monday **July 10, 2006**, electronic land registration is being introduced on an optional basis in Lambton.

Clients of the Lambton Land Registry Office are encouraged to contact Teranet Inc. to acquire Teraview® software and security authorizations. Teranet staff will be pleased to assist in addressing your software, installation and training needs.

Information Session:

An information session on electronic land registration and the Teraview software will be held on:

Thursday, July 6, 2006 at 5:15 p.m.
at the
Lambton Land Registry Office
Court House
700 North Christina St., Suite 102
Sarnia, ON

Representatives from Teranet Inc. and the Ministry of Government Services will be available to answer questions.

Information Package:

The Lambton legal community will receive additional information by mail reminding them of the **July 10, 2006** date and providing other helpful information.

Thank you for your continued support of Teraview software.
