Teraview Tips - Search by Condominium

Updated March, 2012

The following chart contains some guidelines to help you search by condominium plan number through Teraview. From the menu "Search by Condominium". In the search window enter the registration number of the condominium plan. The office specific prefix is listed below.

| Land Registry Office | Condominium Plan Prefix                | Plans available through search by Condominium  |
|----------------------|--|--|
| 01 Algoma            | ACP                                    | All  |
| 02 Brant             | BCP                                    | All  |
