On July 4, 1960 a new consecutive numbering series for all documents was begun. The series numbering, with the suffix B, began at 1B and continued to January 22, 1971. On January 25, 1971 the suffix B was dropped and consecutive numbering has continued to the present. *The 'B' suffix will not be entered on the automated record for the B Series documents.*

Land Titles documents are numbered consecutively since the first registration.
