## CMHC RESIDENTIAL MORTGAGE SCHEDULE

### PAYMENTS

The Mortgagor agrees to make monthly payments hereunder by pre-authorized Automatic Chequing and will supply the Mortgagee with written authorization to debit the Mortgagor's current chequing account on the due date of the mortgage payments.

### PREPAYMENT

When not in default the Mortgagor/Chargor shall have the privilege on each anniversary date or during any 12 month period following the interest adjustment date to increase the monthly payments by 20% and/or prepay up to 20% (twenty percent) of the original principal amount without notice or bonus. This privilege is not cumulative if not exercised in any given year. This right of prepayment without notice, bonus or penalty does not apply if the Mortgagor/Chargor prepays the principal amount of the mortgage in full. This is the case even if you have not yet used this right of prepayment in the calendar year during which the mortgage is prepaid in full.

### MUNICIPAL TAXES

The Mortgagee shall collect 1/12<sup>th</sup> of the estimated annual realty taxes with the monthly mortgage payments. Nothing shall obligate the Mortgagee to pay taxes more often than yearly and any deficit shall be payable on demand. The Mortgagor shall be charged interest at the mortgage rate on the debit balance, if any, until such time as the debit balance is fully repaid. Credit balances shall bear interest at the prevailing rate paid by major banks on savings/chequing accounts on minimum monthly balances.

### REPAYMENT PRIVILEGES

In the event of the Mortgagor(s) selling, transferring or conveying title to a purchaser, transferee or grantee not approved by us, in our sole and unfettered discretion, all monies secured hereunder, together with the greater of:

- i. Three (3) months' interest on the principal amount prepaid at the rate of interest chargeable hereunder at the time of prepayment as hereinbefore set out; and
- ii. An interest rate differential (calculated using AGF Trust's current mortgage rate applicable for the remaining term of the mortgage). and any other amounts due under the mortgage, shall become due and payable. The Mortgagor(s) shall provide promptly such material and information as the Mortgagee may require with respect to the purchaser and terms of the purchase.

In all other events, the Mortgagor(s) may, if not in default hereunder and upon providing the Mortgagee with prior written notice of their intention, repay in full the secured mortgage debt prior to the Balance Due Date upon delivery to the Mortgagee full payment of both the remaining interest to maturity amount and the remaining principal amount secured hereunder together with the full along with any other amounts due under the mortgage, all of which shall be determined by the Mortgagee following receipt of the aforementioned notice.

### CONDOMINIUM

If the Charge is of land within a condominium registered pursuant to the Condominium Act the following provision shall apply. In the event that the Purchaser sells, transfers, assigns or conveys any parking unit(s) encumbered by the Charge while retaining title to (or ownership of) the dwelling unit so encumbered by the Charge, or in the event that the Purchaser sells, transfers, assigns or conveys the aforementioned parking unit(s) as well as the said dwelling unit but to different purchasers, transferees or assignees, then in either case the total outstanding principal and interest indebtedness secured by the Charge shall become due and payable.

#### CONFLICT

In the event that there is a conflict between the terms and conditions contained in this Schedule and the Standard Mortgage Terms or Standard Charge Terms registered with this mortgage, then the terms and conditions contained in this Schedule shall prevail.

Interest will be charged to the borrower on these fees at the mortgage rate from the date the fees are incurred.
