Miscellaneous Series (KB) is a REGISTRY OLD SERIES comprised of documents for a cluster of land in the '21 abstract book series'. These properties eg White River Station Grounds were carved out of or patented separately from the township surveys.

Odd number Series (O) is a Registry OLD SERIES before the "R" series comprised of old city documents contained in the Odd Number Series copy books. This series appears to be a broken series with the RY series. If you are not successful in retrieving your document as an RY then ask DSC to try it with an O prefix. When requesting these documents ask DSC to refer to Ann Lundy (Deputy LR) for assistance.
