2. PAYMENT PLAN AGREEMENT (“PPA”) TERMS – DEPOSIT ACCOUNT PAYMENT PLAN

The following PPA terms and conditions apply to the Deposit Account Payment Plan

DEPOSIT ACCOUNT PAYMENT PLAN TERMS & CONDITIONS

In this Deposit Account Payment Plan agreement, the words “we” and “our” refers to the Account Holder named in Part 1 above.

1. Sporadic Debits of Variable Amount: This is a continuing but revocable authorization for the sporadic issue and processing of PADs in variable amounts for business purposes.

2. The Pre-Authorized Debit (“PAD”): On the authorization of the Account Holder communicated by any means, including electronic means, and authenticated by signature, password, secret code or other agreed signature equivalent, Teranet is requested and authorized to issue or draw a PAD on the Deposit Bank Account for the purpose of transferring funds to Teranet for credit to the Account Holder, for application by Teranet in accordance with clause 3. Teranet shall be permitted to treat as valid authorization, any instruction purporting to be given on behalf of the Account Holder and accompanied by use of such password, secret code or other agreed signature equivalent.

3. Application of Amounts: Funds paid to Teranet for credit to the Account Holder may be applied by Teranet, without requirement of notice to the Account Holder, in payment of fees and charges owing to Teranet for Authorized Services. The application of funds by Teranet in payment for services is not contingent on the prior provision to the Account Holder of a statement of services used, although Teranet will provide the Account Holder with statements in respect of the use of services and the making of such payment.

4. Benefit: This authorization is provided for the benefit of Teranet, and its assignees, and the Canadian financial institution that maintains the Deposit Account (the “Processing Institution”). This authorization is provided in consideration of the Processing Institution agreeing to process PADs from the Deposit Bank Account in accordance with the rules of the Payments Canada. Delivery of this authorization to Teranet also constitutes delivery of our authorization to the Processing Institution. The Processing Institution is not required to verify that a PAD has been initiated in accordance with this Agreement. We agree to inform Teranet, in writing, of any change in the information about the Deposit Bank Account at least five (5) days before authorizing another sporadic PAD.

5. Cancellation: We may cancel our authorization at any time (a) upon written notice to Teranet or (b) upon our instructions given by personal computer or other electronic device (as permitted by Teranet) with proper authorization to verify the Account Holder's identity. This authorization agreement applies only to the method of payment to Teranet and revocation of this authorization does not terminate any contract for goods or services that exists between the Account Holder and Teranet. We acknowledge that we will have to make alternate payment arrangements acceptable to Teranet if we revoke our authorization for PADs. To obtain a sample cancellation form, or for more information on the right to cancel a PAD agreement, contact your financial institution or visit www.payments.ca

6. Disputes: The Account Holder agrees not to dispute or request the return of a PAD for any reason whatsoever, except in the following circumstances: (a) the PAD was not drawn in accordance with this Agreement, or (b) this Agreement was revoked. The Account Holder, in order to be reimbursed, acknowledges that a declaration to the effect that (a) or (b) took place must be completed and presented to the financial institution that keeps the Deposit Bank Account up to and including ten (10) days after the date the disputed PAD was posted to the Account Holder's Deposit Account.

7. Consent: We consent to the disclosure of personal information contained in this Agreement, and any debit issued pursuant to this authorization, to financial institutions as necessary in order to give effect to this Agreement, subject to the rules of the Canadian Payments Association and applicable privacy laws.
