PLQ	*North Monaghan	Nov 26, 1852	Nov 2, 1960	3	94
PLSMO	South Monaghan	Apr 29, 1873	Nov 14,1977	19	425
PL	City of Peterborough	Mar 11, 1855	Dec 31, 1973	1	299

The City of Peterborough is the only township, which has duplicate plans within the township. Townships marked with an * have had lands annexed to the City of Peterborough. The plans that are now in the City of Peterborough have been filed with the City of Peterborough plans and given an alpha suffix. (i.e. Ashburnham = A, Douro = G, Otonabee = S, Smith = T and North Monaghan = Q) The following page lists these plans and suffixes.

Duplicate Plans within the City of Peterborough

Registered Plans begin at number “1” in all of the municipalities in the County of Peterborough. The use of the original plan number and the name of the original municipality will be sufficient to identify the plan, except as follows:

Registered Plans which originated in the City of Peterborough will be designated by the plan number, with no suffix, and City of Peterborough as the municipality. Registered Plans which originated in a part of a municipality which was subsequently annexed to the City of Peterborough will be designated by the original plan number with the appropriate original municipality suffix code, and City of Peterborough as the municipality.

The following Registered Plans will require suffixes and will be shown as indicated below:

The Registered Plans which were annexed from Ashburnham to the City of Peterborough will have an ‘A’ suffix and show as follows:

1A, 3A, 7A, 8A, 9A, 10A, 11A, 12A, 13A, 14A, 15A, 16A, 17A, 19A, 22A, 23A, 24A, 25A, 26A, 27A, 28A, 29A

The Registered Plans which were annexed from the Township of Douro to the City of Peterborough will have an ‘G’ suffix and show as follows:

12G, 15G, 19G

The Registered Plans which were annexed from the Township of North Monaghan to the City of Peterborough will have an ‘Q’ suffix and show as follows:

2Q(formerly referred to as Park Lots), 4Q, 7Q, 9Q, 11Q, 15Q, 17Q, 20Q, 22Q, 23Q, 24Q, 25Q, 27Q, 28Q, 29Q, 30Q, 31Q, 32Q, 34Q, 35Q, 36Q, 38Q, 40Q to 73Q both inclusive, 75Q, 77Q, 78Q, and 80Q to 93Q both inclusive.

The Registered Plans which were annexed from the Township of Otonabee to the City of Peterborough will have an ‘S’ suffix and show as follows:

4S, 14S, 18S, 23S, 24S, 25S, 27S, 29S

The Registered Plans which were annexed from the Township of Smith to the City of Peterborough will have an ‘T’ suffix and show as follows:

15T, 17T, 18T, 20T, 24T, 26T, 29T, 30T, 31T, 32T, 38T, 42T, 77T, 80T

For example, Registered Plan 5G, City of Peterborough, would indicate that this is Registered Plan 5, formerly in the Township of Douro, now in the City of Peterborough. while Registered Plan 5, City of Peterborough would indicate that this plan originated in the City of Peterborough.
